Well the news is out. I will be leaving Prespatou at the end of this year to take on a new position at North Peace Secondary School. I have thoroughly enjoyed my time here at Prespatou and I will miss the students, staff and community. I would like to thank everyone for making my time at Prespatou School special, and for all the support over the past 8 years. I am sure that Prespatou School will be in good hands, and will continue to grow and prosper.

Sports Day:

We will have our annual Sports Day on June 21, 2019. Parents are encouraged to come cheer on the students. The 2020 Grad class will have a canteen running during the day for all of your favorites.

Note: Alma Demers, a teacher who taught at Prespatou School between 1981 and 1985, is going to try to attend our Sports Day. She would love to chat with her former students.

Grade 7 Transition Day:

This year we are looking to support our Grade 7 students from Prespatou and Buick in making a smoother transition into the high school program. Students often are challenged with this transition due to having multiple teachers for different classes, lack of recess, generally longer class times, many courses are semester and need to be completed between Sept and Jan and then Feb to June. We would like the students to meet all of their teachers and make a day of visiting many of the different classes too.
