

**PRESPATOU ELEM. SEC. SCHOOL
SUGGESTED STUDENT SUPPLY LIST 2020/2021**

Here is a wish list from the teachers who are currently at our school. We have no idea which students will be in which split classes. New teachers will probably have a few extra things they would like your children to bring and they can ask for them in September. It would be helpful to have your child's name put on everything possible (shoes, pencil cases, glue sticks, rulers, crayon boxes, etc.), especially for Primary students. Please have a wonderful summer!
